Welcome to the 2017 Jacaranda Festival

Best Wishes
Kristen Smith President 2017
Jacaranda Festival Inc

A warm welcome to our visitors who have come from near and far to view the lilac hues of the Clarence Valley – we hope the weather is kind and you return for many years to come.

A heartfelt thanks is extended to our hard working volunteers and local businesses that continue to support the Festival in many different ways – we couldn't do it without you!

We have an amazing group of ladies who have joined the Jacaranda Queen Quest in 2017. The ladies have been busily at work for the past 6 months fundraising and I am sure their hard work will pay off when it comes time for our Jacaranda Trees to blossom. Be sure to stop and say 'hi' when you see our Jacaranda Queen's Party out and about during the festivities.

With a 9-day program packed full of events for the young & old, we hope you join in the fun as we strive to deliver a bigger and brighter Jacaranda Festival.

Best Wishes
Jim Simmons Mayor 2017
Clarence Valley Council

It is a great pleasure to offer a few words of introduction to this year's Jacaranda Festival. If you are a visitor, welcome. We hope you enjoy your stay. Make sure you use this festival program so you can plan your time here and take in as many of the attractions as possible. The festival is based on the magnificent Jacaranda trees, but there is much more to see and do and we hope you get the opportunity to take advantage of it.

If you are a resident you will know how much is on offer. You will know that this is the time when Grafton really gets to showcase its beauty. I would also encourage locals to have a look through the program and try something new this year because there is always something new and there would be very few people who have managed to get to every Jacaranda event. Please also help make our visitors feel welcome. They are our guests and we have the opportunity to showcase our hospitality.

Enjoy Jacaranda 2017. It's a great festival with something to interest every taste.

IT's ON! IN NSW

Whether you're into sport, music, food and wine, action or adventure, you'll find many exciting events for all ages, in amazing locations throughout Regional NSW.

"Growing up in Grafton I got to see the overwhelming community spirit of the city through The Jacaranda Festival. I wanted to become a Queen Candidate as a way of giving back to our picturesque town. By raising money through social events, I not only got to meet so many friendly and generous locals but also contributed to this iconic festival continuing for the next generation. The Jacaranda Festival brings all elements of our community together from businesses to families where we can celebrate each other and this beautiful region." - 2004 Jacaranda Queen Samantha McClymont

Coldstream Gallery

Coldstream Gallery is located in the historic river port of Ulmarra. Situated in the original Sydney Stores department store circa 1907, this building has quite some history.

Transitioned to a fine art gallery in 1975 it has grown to become a gallery promoting local artists and artisans predominantly from the Clarence Valley. Continuing with the tradition of personal service and quality works covering most disciplines. Exhibiting painting, wood, glass, bronze and more, there is something for everyone; from a card for mum to a collectable piece of original Australian art. Workshops and creative classes are run on a regular basis and unique onsite accommodation is available.

Open daily from 10am to 4pm or by appointment.
